

# Polyco

Making waste work

## MPACT PLASTICS ATLANTIS

Polyolefin Responsibility Organisation NPC is proud to acknowledge our Converter Member

---

# Membership Certificate

---

Membership of Polyco is testimony of your:

- + Support for the required Extended Producer Responsibility submission to Government, pursuant to the National Environmental Management Waste Act, 2008.
- + Commitment to building a sustainable plastic packaging industry focused on people, profit and the planet.
- + Passion for improving South Africa's environmental future.
- + Desire to promote polyolefin plastic recycling growth and awareness.

---

You are now part of a Product Responsibility Organisation that makes a positive difference by reducing plastic packaging to landfill.
